For many years they have been our friends and counselors, listening to our problems and giving us helpful advice. They give of their time not only during school, but also after school and on weekends. They support us not only in our victories but also in our defeats. Their knowledge and experience have been invaluable to us. Without their guidance we would not have been as successful.

With respect and gratitude we, the Senior Class of 1979, dedicate this book to the Athletic Department.

"The road goes ever on and on
Down from the door where it began.
Now far ahead the road has gone,
And I must follow if I can,
Pursuing it with weary feet,
Until it joins some larger way,
Where many paths and errands meet.
And wither then? I cannot say.
Still around the corner there may wait
A new Road or a secret gate;
And though I oft have passed them by,
A day will come at last when I
Shall take the hidden paths that run
West of the moon, East of the sun.
